The White House Manor (built in 1676) is located in a wild bird sanctuary (more than 200 species) in the regional park Perigord-Limousin. Peaceful, very comfortable, it offers activities such as watercolor painting, walks in forest, tours in the neighborhood, library, music and billiard room, eating to savour the famous local food products, and many others. We also offer exceptional painting courses and workshops on request.

The White House Manor welcomes you all year round: in the main courtyard (1/2 acre), surrounded by its high defense walls, the farm house, completely restored in 2004, offers three large double or triple bedrooms, all with en-suite bathroom and toilets, very comfortable king size beds, plain wood floors, beautiful decoration. The farmhouse also offers to our guests a large living room with its monumental fireplace (4 feet logs at your disposal), including a fully equipped kitchen for those who do not wish to go out for dinner every day.

The farmhouse can also be rented as a whole for parties of 6 to 7 people.
